Preface

Dear colleagues,

This conference in St. Petersburg marks the meanwhile 215. Falk symposium, the most successful series of educational and scientific meetings in Gastroenterology and Hepatology.

We would like to invite you to St. Petersburg for a special symposium during the time of the White Nights when the city is bathed in spectacular all-night glow. Our symposium brings key experts from all over the world to St. Petersburg to share the latest news on inflammatory bowel disease. The program is intended to impart facts that are of immediate usefulness to enrich your clinical practice in the management of your patients. Don't miss the workshops on Saturday afternoon aimed to translate the newly acquired knowledge during the symposium into the discussion of cases from daily practice.

We would be pleased to see you in St. Petersburg for an inciting and interactive symposium in an intoxicating environment.

Prof. Dr. Walter Reinisch

Дорогие коллеги!

Симпозиум, организуемый вот уже в 215-ый раз научным фондом Falk Foundation, состоится в этот раз в Санкт-Петербурге. Данный симпозиум представляет собой самую успешную серию образовательных и научных конференций в области гастроэнтерологии и гепатологии.

Во время сезона Белых ночей, когда город предстаёт в захватывающем ночном сиянии, мы будем рады поприветствовать Вас на нашем симпозиуме. Здесь Вы услышите доклады ведущих мировых экспертов о новшествах и последних достижениях в сфере воспалительные заболевания кишечника. Программа симпозиума включает в себя сведения, которые Вы незамедлительно сможете использовать в Вашей клинической практике на благо пациентов. Не пропустите семинары в субботу во второй половине дня, которые посвящены демонстрации применения приобретенных знаний на примере реальных клинических случаев.

Мы будем рады видеть Вас в Санкт-Петербурге на нашем интерактивном симпозиуме в потрясающем и захватывающей своей атмосферой городе.

Профессор, доктор медицинских наук Вальтер Райниш
